

Dear Customer,

Recently I reviewed the transport into the Sale CBD area as I was aware we were delivering into Sale three times per week being Tuesday, Wednesday, and Friday's, Tuesday's had low volumes.

Due to volume into Sale on a Tuesday being minimal, I have decided to remove the Tuesday service for Sale customers until volumes increase.

As of the week of Monday 6th of May 2024 Wednesday and Friday will be the Sale CBD delivery service, this will also help in keeping our transport costs to a minimum.

As always if the demand for freight increases to the Sale CBD we will take another review for the most appropriate service.

Regards

Travers Scott
Operations Manager
